

14th MICRO μ FESTIVAL – IMMF 2024

Terms of Participation

- Each film director can participate with more than one film, provided that they are not older than two years.
- The total duration of each participating film should not exceed 25 minutes.
- The applicant should either be the only beneficiary or has cleared all the rights of each entry submitted to the festival.
- The fifteen short films that will be screened at the contest section of the festival will be selected by a committee that will be announced after the 25th of July 2024. The committee will be announced at the Festivals official website.
- The films that will be screened in all other sections of the festival will be selected from the festivals' organizational committee.
- The selected films that will participate in all sections of Micro μ will be announced through email to the applicants after August 15th 2024 and through the festival's official website.
- In case your film is selected, aside from the high resolution file of the film* you will also have to send us the Festivals Official Participation form you will have received.
- Following the film and official form submission the applicants have no right to withdraw their participation.
- All files sent by post should clearly indicate “ Without commercial value, For cultural purposes”
- Shipping charges related to materials for the festival that cannot be sent through email, are covered by the applicants.
- Shipping charges that refer to material returns after the festival when needed will be covered by the festival.
- The Organisational committee and all the hosting venues of the festival are not responsible for any copyright issues related to public screening of the films during the festival.
- The Organisational committee has the right to screen part of each film (up to 15% of its duration) on television or the internet for promotional support of the festival and not for commercial reasons.
- A copy of each film together with the initial application form and any promotional material sent to us will remain to the festival's archive.
- Any use of devices aiming to record audio or visual parts from the venues of the festival during the festival is strictly forbidden without permission from the Organisational Committee.
- Micro μ Festival is not responsible for any loss or destruction of material before or after the festival.
- The audience of Micro μ festival, the only judge of the festival's films, vote for their favourite film at the day of the festival only after the end of the screenings.
- The festival's award will be given to the director of the film that will collect more votes at the end of the festival.
- Each signed received application (either through filmfreeway or through the festival's official form) received by the festival implies full and unconstrained acceptance of all of the above terms of participation.
